ALMA MATER

To Bucyrus High we raise our song,
 Oh school we love so well,
 The name that sets our hearts aflame,
 And makes our voices ring,
 To Bucyrus High, our dear old High,
 In praise our voices swell,
 The scenes of happy High School days,
 The Home we love so well.

Oh morning glow which gilds the east,
 Oh sun which shines at noon,
 Oh stars which bloom at eventide,
 Oh radiant glowing moon,
 Look from the pathless, azure dome,
 And bless us from above,
 Our High School halls and High School walls,
 The B. H. S. we love.

When from the fold we far shall stray,
 With souls no longer young,
 We'll ne'er forget our high school days,
 Those happy days gone by.
 And when our steps have feeble grown
 Our journey almost done,
 E'en then with fleeting breath we'll praise
 Our dear Bucyrus High.

DEDICATION

DON EUGENE BRINKMAN

October 27, 1929 - January 27, 1947

Beloved by those who knew him, Don will always be remembered for his gentlemanly conduct, his sterling character, and his sunny disposition. Like music heard after the singer has ceased, his memory lingers on in the hearts of his friends.

SENIOR CLASS HISTORY

Seniors in B. H. S.! How anxiously we looked forward to this when we were only Freshmen! Completing the fourth year in high school means for us the completion of one training period in our lives. To think that our learning stops here would be to fail to put into practice that knowledge which we have received in our twelve years of school. "A little learning is a dangerous thing." Many of us plan a further education in college. Though some of us will not be in school after this, our senior year, we know that the diligent seeker after knowledge and truth can find it outside the classroom.

To the teachers in our high school we owe a great debt for the patient, kind, and understanding co-operation constantly showed to us, that enabled us to acquire the education which we now possess. Teaching is often a thankless job. We wish to acknowledge our gratitude in this class history to all the faithful instructors of our school years.

At the beginning of our seventh year in school James Miller held the office of president; Gwen Rife, vice-president; Grace Shiffer, secretary-treasurer; and advisor, Mr. Eldon Armbrust. The treasury was started by selling magazines and investing the profits in war bonds.

No officers were elected in our eighth school year. A class basketball team figured prominently in defeating higher class teams.

Again in our ninth year we selected no officers. The Blue Triangle Dinner Party proved the big event of that year.

As sophomores, our officers were Charles Eicher, president; Eugene Cress, vice-president; Mary Carver, secretary-treasurer, and Mr. Charles Tschanen, advisor. The chief social event of that year was the Sophomore Prom.

Our eleventh year officers were Charles Eicher, president; Madonna Haala, vice-president; and Robert Cribble, secretary-treasurer. Mr. Tschanen was again unanimously elected to be our advisor. The Junior-Senior Reception of this year will be remembered by all.

During our junior year a number of our classmates left to serve our country. Their presence was missed in our halls and on the campus.

In our long-anticipated senior year our officers were chosen as follows: James Weithman, president; Jack Davis, vice-president; Spencer Durr, secretary; and William Heckenhauer, treasurer. Mrs. Edna Willaman served as our advisor and deserves the credit for the success our Senior Class has had in all its events. In January we suffered the loss of a senior whose death touched the heartstrings of the entire school. Don Brinkman, known and loved by everyone because of his ready smile and kindly disposition, left us after a very brief illness. His life among us will ever prove an inspiration to all.

The Senior Class Play, "A Date for Judy," was presented on May 16. The delightful comedy, ably directed by Miss Wild was well received by the audience.

The outstanding social event of our senior year was the Junior-Senior Reception in May. The large parties and the numerous smaller gatherings throughout our school career have helped educate us in social conduct and appreciation of good times.

Forever B. H. S. will remind us of school years spent acquiring knowledge to better fit us for the life ahead. We trust that every class will be privileged to receive the same benefits we have had in our classrooms and in our school social life.

SPENCER DURR, Secretary.

LAST WILL AND TESTAMENT OF SENIOR CLASS

We, the Senior Class of Nineteen Hundred Forty-seven, being of sound mind (?) and stout heart, due constitute this document which shall be called Our Last Will and Testament. After many strenuous hours of careful consideration we do bequeath our sole possessions (although rather battered and worn) to the following worthy people:

To Mr. Baer, we leave our appreciation for the friendly smile and understanding nature that has never failed us through the years. Also we leave one bottle of hair-restorer—and a prayer.

To Mr. Gearhart, we leave the already aged and torn school calendar in the office. You may tear it down and put a new one in its place, but the parties, meetings, and games of our last year in school will linger as pleasant memories for years to come. Thank you for making these things possible.

To Mr. Ellis, we leave our deep gratitude for business courses well taught.

To Miss Kathryn Meek, we leave a new and reliable lie detector recommended by all modern trust officers as a sure cure for headaches.

To Mrs. Willaman we leave the thought that "Life Can Be Beautiful," and that more people should follow her grand conception of living.

To Mr. Havron, we leave two musty old books: "How and When to Tell a Joke," and "Life—Its Truth and Consequences," by I. M. Hilarious and Venetian A. Blind, respectively.

To Miss Ella Meek, we leave a Tony Permanent Wave Set and the reminder that we wish we were as intellectual as she is.

To Miss Ulmer, we leave the beautiful strains of "Open the Door, Richard" and "Sugar Blues."

To Miss Kenney, we leave the gentle reminder that ten-minute speed tests are simply taboo with typing students.

To Mr. Dobbins, we leave our old trig, algebra, and geometry books (some with answers in them, too) in the hope that someday somebody will understand them.

To Miss Thompson, we leave the question: "Shall we or shall we not take the Marines out of Nicaragua?"

To Miss Hybarger, we leave the birds and the bees, all the grasshoppers and daisies of the future.

To Mrs. Ferguson, we leave a suggestion on how to keep the sixth period study hall quiet without forcing them to stay in ten minutes after school. Our advice is: "Leave at four o'clock!"

To Coach Pesek, we leave in your hand the future athletic teams of Bucyrus High; which brings us down

To Coach Burkey, (Sigh!), we leave to you the sighs of the fairer sex, and the hope that someday we, too, can hook a husband or a wife (!) like you.

To the Juniors, we leave the highest honor in the school—the prestige of being Seniors. We leave you the lower classmen whom you may consider as your slaves. We leave unto you also our choice lockers, where you may, in your spare time, visit with your current steady.

To the Sophomores, we leave new responsibilities that you must meet with thought and wisdom: you and the Seniors must set the example for the rest of the school to follow. We leave the hot dog stand, which you can maintain during the games and where you can make lots of money. To the Sophomore girls, we regret to say, that we must take away our Senior boys, however, there are always others. And last, but not least, you may have the privilege of strolling up the center walk.

To the Freshmen, we leave our Sophomore Prom, all the dances, parties, and exams in the hope that you will enjoy them immensely. Keep up a good record for our school in everything that you undertake to do.

To the Eighth-graders, we leave a thought—someday you will be Seniors. We leave to you the right to be called members of our "High School." You may move to the second floor where things are always happening. With the second floor go better lockers and better seats in the auditorium. Your fun is just beginning. We want you to have it, but make a reputation for yourself in Bucyrus High that you can be proud of when you have left.

To the Seventh-graders, we leave to you the teachers, our Principal, and our Superintendent—they all want to help you. It helps a great deal if you learn to cooperate with them.

Sworn to and attested to this 12th day of March, 1947.

THE SENIOR CLASS OF 1947,

D. A. Dustman,

G. R. Keckstein,

Notary Publics.

In Witness Whereof:

Chester Field,
Auto M. Obile.

SENIOR CLASS PROPHECY

Ladies and Gentlemen, come one, come all,
And look into our crystal ball,
For here you have for just one dime,
A look into a future time.

Now we see in our crystal ball,
Two old friends who are making a call,
To a great big city they've heard is gay,
Good Ole New York, U. S. A.

As we walk down Fifth Avenue,
Looking at the things to us so new,
Lo and behold! Who do we see?
It's that girl about town, **Norma Lea**.

Coming towards us, she exclaims with surprise,
"Oh, my gosh, I can't believe my eyes,
You've aged, my dears—how time does fly!"
"Oh, yes, 'We're crowding forty-five," we reply.

"We've come to the city to look up some friends,
And maybe to borrow a couple of tens,
So let's take a walk and see what we find,
In the street before us with all the signs."

Straight up ahead we see a sign,
"Eicher's Saloon, A Beer for a Dime,"
Let's go in this place of Eicher's,
And let him know that we're no pikers.

Entering, we are astonished to see,
Metzger, Needles, and Kemery, drinking tea,
And 'round a table playing pool,
Are **Lee and White**, talking school.

With a cheery "Hello", and a "How've you been?"
We all begin talking 'bout what back when,
They say **Bill Heckenbauer** is living with ease,
Renting quaint little cottages down by the seas.

And **Molly McGraw** has returned to the South,
'Cause she just didn't like that Yankee's big mouth,
But **Sheldon Atkinson** loves it up north,
Where he studies rabbits, fish, and so forth.

Reluctantly leaving, we go on our way,
And promise to come back another day,
We venture out into the street,
And of all people, guess who we meet?

It's **Charlie Garverick** in a great big hurry,
He's got an audition with **Arthur Murry**,
And a little farther down the street,
Is **Patrolman Long**, walking his beat.

We stop at a newsstand to buy some papers,
And find **Grace Halliwell** and "cut a few capers,"
She tells us that **Betty Kent** is married to **Spaid**,
'Cause she could'n't bear the thought of being an old maid.

The society page of today's ::New York Bleat,"
Says **Nancy Ashbaugh** is doing all reet,
She's giving a luncheon at the Hotel Mayfair,
And all society will be there.

This luncheon is in honor of **Gracie Shiffer**,
Who's just been voted the world's best swimmer,
The former **Mary Arnold** will be among the guests,
She's got a sweet little angel, **Mergatroid Cress**.

Stumbling upon the well-filled sports sheet,
We read that **Jim Weithman**'s team can't be beat,
With such great players as **Jack Davis** and **Gerry G.**
His football team must be a sight to see.

A front page news story attracts our attention,
Today is the opening of the Farmer's Convention,
Jimmy Miller will display his famed prize heifers,
And one in particular called his "Corn-fed Zephyr."

Spencer Durr will show off his chickens,
They're so remarkable; they grow like the dickens,
His old friend, **Bob Denzer**, is raising the corn,
To keep these chickens in the best of form.

The wonderful arts of sewing and cooking,
At which the housewives will be looking,
Will be judged by **Augustine and Hughes**,
Who always have their names in the news.

Walking down the street once more,
We come upon an odd looking store,
The shingle reads: "**Rorick's Choppers** are Neat—,
Eat anything with ease, and give yourself a treat!"

While crossing the street, we're almost run over,
By a '75 convertible that belongs to **Dick Kober**,
With brakes madly screeching and horn loudly
blowing,
Someone calls out, "Why don't ya watch where
you're going!"

It's **Dick** all right and **Wanda Burkhart**, too,
Through all these years, they've been so true,
After this we're worn out; we look like a mess,
So we go in a restaurant to take a rest.

To our great surprise, we are served a light lunch,
(Meat, potatoes, succotash, and cookies to munch),
By **Imojean Brewer** and **Iris Haycock**,
Who tell us this spot is a fashionable nook.

When at last we've decided that we've had our fill,
We call **Waiter Tatman**, to bring us the bill,
"This is an outrage! We refuse to pay!
Where is the manager? Lead the way!"

But alas and alack, how red turns our face,
When we learn **Dick Hertz** manages of the place!
"The bill's on the house!" he exclaims seeing us,
"Let's not create such a terrible fnss."

At another table the chatter is flying,
Two well-dressed secretaries are carefully buying,
Mary Ann Follman insists on potatoes,
But **Barbara McMahon** would rather have tomatoes.

They're expecting **Ida Caporini** most any time,
She's a Clock Watcher now and doing quite fine,
Here comes **Ruth Driscoll** at a terrific speed,
She's just in time for the great big feed.

We must tear ourselves away; we've work to do,
So picking up our things, we bid them adieu,
A few steps later, we're feeling kinda peculiar,
We haven't felt this way since the last New Year.

Let's stop at this drugstore and pick up a **Bromo**,
Thomas & Fox, Proprietors—the names we should
know,
"Come in," they say, "come in, please do,
The best we have is none too good for you."

Inside, on the radio is **B. Kruse's** all-girl band,
It's been advertised as the best in the land,
Noreen serves the Cokes and in general helps out,
But her heart lies home with her family, no doubt.

SENIOR CLASS PROPHECY

(Continued)

We're out in the street again; feeling much better,
There's a nurse running towards us; it's **Lois Ren-**
ner,

Going on an emergency call to **Bill Barber,**
Who on his toes has dropped a typewriter.

We'll send him some flowers to make him happy,
Let's find a flower shop and make it snappy,
Ah! Here we are; we've found one at last,
This sign says: "**Eddie Berry Gets 'Em There Fast.**"

"Sure," says **Eddie,** "I handle all kinds,
Daisies, petunias, and clinging vines,
And **Pat Shaw** here, she makes up the sprays,
While I race around in a dizzy daze."

We pay our bill and leave the shop,
Go down the street to buy some pop,
"Sorry, we're fresh out," says **Billy Cole,**
"You might try my stand south of the north pole."

Too far for us, we ain't that dry,
We'll go to **Goebel's** and have a ham on rye,
We're told **D. Sipes** now and then helps him out,
He makes 'em with onions strong and stout.

Goebel's place is filled to the brim,
With a family reunion by the name of **Grimm,**
Chester's got permission to leave the army,
He's gonna marry a girl that speaks a little blarney.

Well, night's creeping up; we must find a place to
stay,
"Temple's little Drive-In—a good place to hit the
hay."

That's for us, quick—call a taxi,
Up drives **Seckel** in a neat little "chassey."

"Where to ladies?" he doth ask,
"Getting you there will be quite a task,
A little ways back I almost ran over,
James Wansor on a cycle that comes with a motor."

We get there O.K.; go up to the desk,
Are warned by **Norma Crum** about a terrible pest,
A cute little bellhop by the name of **Young,**
Does peek in keyholes, just for fun.

Joan Witter is sitting at a switchboard,
With the things she hears she could never be bored,
Up in seven-twelve there's a call from **Carol Frey,**
Baking pie for hubby, she ran out of **Spry.**

Out in the lobby there's a noisy group of ladies,
All talking at once about their sweet babies,
Katie Hull (**Garey**) is praising **Stacy, Junior,**
While **Joan Fild** is talking about **D. Corey, Senior.**

Well, well, ladies so nice to see you,
I bet **Diane Hawk** can tell us what's new,
H. Bowser and **W. Coulter** have just checked in,
They're stopping to visit some very close kin.

Suddenly out of nowhere comes an ear-splitting
roar,

Vaughan forgot his glasses and ran into a door,
He's been house detective here for the past twenty
years,

But nothing ever happens so, of course, he has no
fears.

Louette Heydinger just blew in with several large
bags,

All covered with pictures, stickers and tags,
Just got back from a trip around the world,
Went in a rocket that spluttered and whirled.

Frankie Corona was the pilot of the ship,
Every now and then the thing would turn a flip,
Down in Central America she met **Madonna Haala,**
Translating Spanish for a firm in Guatemala.

Jaredine Carrick, her personal maid,
Sees that the bills are always paid,
A trip around the world is a lot of fun,
But it certainly keeps you on the run.

There's **Harold Albright** passing out free tickets,
For a brand new musical, "Broadway Crickets,"
With **Flo Murphy** the star of the show,
Everyone will be simply dying to go.

Look who's in the chorus—**Carver, Smith** and **Rus-**
sell,
Each will be wearing a bonnet and a bustle,
Helen Marggraf will be singing a song,
While **Ollie McCoy** plays right along.

Diana Sake's another big star,
Her dance numbers are always up to par,
Beautiful scenery was painted by **Brandt,**
She's a very small lady, but never says can't.

Flash! Startling news just came over the air,
It's a remarkable story and really very rare,
E. Staiger pitch a triple-header-no-hit game,
His manager, **Owen Clem,** says he'll surely win
fame.

A slap on the back brings us back to earth,
Says **Marjorie Yaussy,** "I saw you firth,
We run a brain clinic, that's **Neuman** and **I,**
Come up and see us, and don't ask why."

Who's that stunning woman over there by the desk,
Of course, we should have known, it's **Barbara Bast,**
"My dear, you look lovely; your hair looks so nice,"
"Thanks, **Gwen Rife** did that for a fancy price."

We're positively weary; we'll have to retire,
We race to the elevator as if to a fire,
"What floor, ladies?" asks **Charles Auck,**
"Oh, sorry it's full; you'll have to walk."

Twenty floors later we meet up with **Robert Ed-**
singer,

"As far as electric goes, this hotel's a humdinger,"
Oh! golly, gosh! What a marvelous day,
We saw all our friends and they're all still O.K.

Would you really like to know just what's become
of us?

We have a little secret that to you we will entrust,
We've spent our days a-searchin' for a certain little
boy,

Who gets around a lot by the name of **Kilroy.**

Well, folks, guess that's the story
Some reached fame and others even glory,
But the crystal ball never lies,
For all over the world it has its spies.

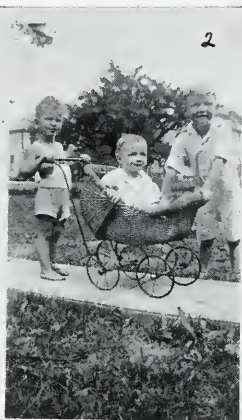

And smiling with us through each new year,
We could not see him but knew he was near,
Was a swell little guy — his friends called him
"Bucky."

We'll be seeing you there, that is, if we're lucky.

GRACE KECKSTEIN
and
DOROTHY DUSTMAN.

JUNIOR CLASS HISTORY

As we look back on the year 1943 we see the Class of '48 as seventh graders, slowly becoming accustomed to the great maze of corridors of B. H. S.

Another year passed and found us as eighth graders. The high point of this year was the Blue Triangle Sweetheart party.

Nineteen hundred forty-five saw us in our first year of high school as Freshmen, and my how proud and grown up we felt! Again the main attraction was the Blue Triangle Sweetheart party.

In our second year of high school, we elected officers for the first time. They were Paul Truka, President; Ray Neuman, Vice President; Sam Smith, Secretary-Treasurer. Mr. Stewart served as adviser. The main events of this year were the Sophomore Prom and the Girl Reserve formal.

And now we come to the year 1947, and find ourselves as Juniors. We elected William Skinner, President; Paul Truka, Vice President; Patricia Rittenhour, Treasurer; and Sam Smith, Secretary. Again we were advised by the capable Mr. Stewart.

The highlight of our Junior year was the Junior-Senior Reception held May 23, 1947. The following people were appointed as chairmen of the different committees: George Wyer, entertainment; Ruth Widman, menu; Gwendolyn Wing, diningroom; Adelaide Metzger, Fritz Michael, Pat Rittenhour, and Harold Beebe, decorations; Dorothy Hites, chaperones, and Paul Truka, orchestra.

Next year will find us leaving B. H. S. as seniors.

HOMECOMING QUEEN AND ATTENDANTS

MADONNA HAALA

MARY ARNOLD
Homecoming Queen

FLORENCE MURPHY

This year's Homecoming Game was played with Crestline.

Selected by her classmates, Mary Arnold made a very attractive Homecoming Queen. Her attendants were Florence Muruhy and Madonna Haala.

The highlight of the evening, perhaps, was the unusual way in which Mary entered the field. She rode in on the elephant, Big Burma, borrowed from the circus which was wintering at the fairgrounds. Florence and Madonna rode in a nice convertible.

The girls were presented with bouquets, and Mary gave both captains a fair start for the game by rewarding them with a kiss.

The queen and her attendants reigned over the game on a platform very beautifully decorated by the Girls' Booster Club.

As has been the custom in previous years, the Booster Club was in charge of the decorations for Baccalaureate and Commencement exercises.

Under the excellent direction of their president, Marjorie Yaussy, and their adviser, Miss Margaret Nottke, they were able to carry on their activities in a pleasant and successful manner. Grace Keckstein was responsible for the recording of the minutes and care of the treasury.

(Formerly Known as Girl Reserves)

The Y-Teens of Bucyrus High School have come to the end of another successful year of Christian service, work, and good times. They opened their 1946-57 season with a candlelight service to welcome new members into the club.

Other members of the cabinet were: Suzana Rorick, devotionals; Grace Keckstein, publicity; Louetta Heydinger, program chairman; Dorothy Dustman, social chairman.

Money was made for the club by the making and selling of pennants, and by sponsoring a dance in the basketball season.

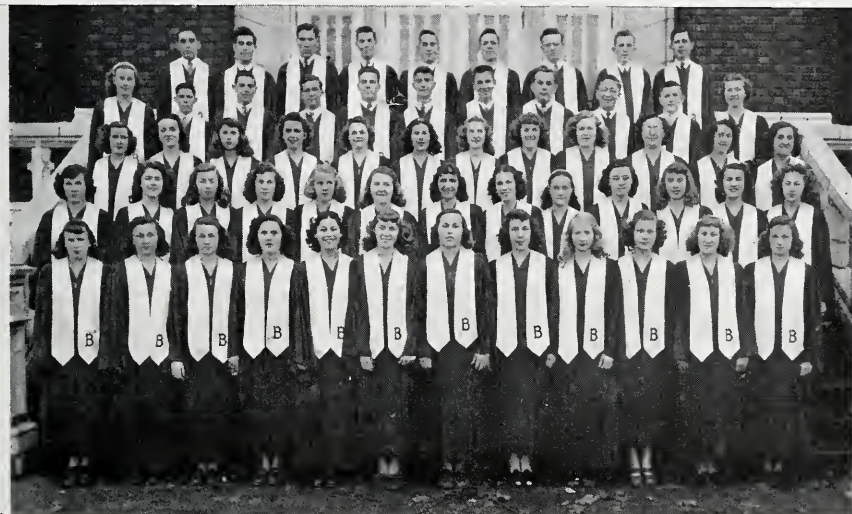

The main event of the year was the annual Sweetheart Dance, which was held in the latter part of December at the Elks Club, and Christmas decorations.

The Y-Teens would not have achieved their purpose nearly so well had it not been for their chief adviser, Miss Wilde, assisted by Miss Nottke.

The group sincerely hopes that the girls next year will gain as much enjoyment from carrying through this program of Christian fellowship as this year's members have obtained.

ADELAIDE METZGER, Secretary.

HONORS

Top Row: Robert Denzer, Mary Arnold, Nancy Ashbaugh, Charles Eicher
 Bottom Row: Madonna Haala, Louette Heydinger, Olivetta McCoy, Grace Keckstein
 Members of QUILL and SCROLL
 International High School Journalistic Society.

Each year, on Recognition Day in Bucyrus High School, honors are conferred on those students who have merited them. The newest of these awards is membership in "Quill and Scroll," the international high school journalistic society. Its members must rank in the upper third of their class, must be of fine character, and must have done some noteworthy achievement in writing for, or publishing, either the "Bucyrus" (bi-weekly), or the Annual. This year, four members of the Annual staff were elected to membership: Robert Denzer, Charles Eicher, Grace Keckstein, and Olivetta McCoy. The "Bucyrus" staff members who qualified were Dorothy Dustman, Mary Arnold, Nancy Ashbaugh, and Louette Heydinger.

The National Honor Society members are chosen by a committee from the faculty, who may consider not over fifteen per cent of the upper third of the senior class. In addition to scholarship, the students must qualify in character, leadership, and service to the school and community. From ten to fifteen are usually selected.

The American Legion Citizenship Medals are presented to a boy and a girl from the senior class, and are selected by a committee composed of members of the faculty, senior class officers, and representatives of The American Legion. The qualifications upon which the choice is made are courage, honor, service, leadership and scholarship.

Each year a girl and a boy are selected to attend Boys' State and Girls' State, camps conducted by The American Legion for the purpose of teaching citizenship. A committee of ten teachers makes the selection, basing their choice on leadership, scholarship, and character.

The Science Medal is awarded to the senior showing decided scientific talent.

District and State Scholarship awards are given to those students in each class who place high in tests in subjects of their choice. Those ranking highest in our district may compete for State honors.

Recognition is also given those whose attendance records have been perfect.

Since the Annual is published before Recognition Day, it is not possible to record here the names of those receiving honors this year.

FOOTBALL COACHES

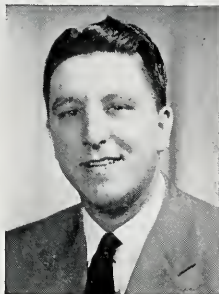

This was the first year in Bucyrus for Coaches Don Burkey and Al Pesek. Mr. Pesek and Mr. Burkey are graduates of Capitol University.

Prior to coming to B. H. S., Mr. Pesek was in service at the Great Lakes Naval Training Station.

In the spring Coach Pesek took charge of the baseball team, while Coach Burkey gave the track boys "the works."

Says Mr. Pesek: "The prospects for varsity football next year look very promising. There will be a number of lettermen returning and the majority of the squad has had varsity and reserve experience. The graduating class, however, will leave quite a large hole in our forward wall and backfield. I feel that those holes can be filled; and with the proper mental attitude and spirit, the team can make it plenty tough for every team in the league."

And Mr. Burkey: "I believe that sports in B. H. S. are on the up-grade."

COACH PESEK

ASST. COACH BURKEY

JAMES WEITHMAN (Captain)—This year Jim played 36 quarters at right tackle. This was Jim's third year in that position. "I have gained a great deal in experience and friendship, as well as enjoyment in my past three years of football."

CLARK TEMPLE—This year, Clark's third at left tackle, he played 32 quarters. "I have enjoyed playing football very much. This year we had more fun, because there was more teamwork; but there is still much room for improvement."

ROBERT EDSINGER—This was Bob's third year at end and he played 36 quarters. "Although the seasonal record is unimpressive, the experience which we gained will be very helpful throughout life."

EUGENE CRESS—This year Gene played 32 quarters at end. It was "Dink's" second year playing in that position. "I think our team was a lot better than the record shows. We learned a lot of football along with having a lot of fun."

DONALD YOUNG—In this, his second year at end, Don played 15 quarters. "I got a lot of experience from football which I will be able to use in later life."

ROBERT DENZER—This year Bob played 19 quarters at end. This was Bob's second year in that position. "I had a lot of fun and good experience."

JACK DAVIS—This was Jack's second year as guard and he played 34 quarters. "Except for some bad luck along the way, we would have had the championship—but then next year Bucyrus will get another chance."

CHARLES ENCHER—This year Chuck played 26 quarters at guard. This was Chuck's fourth year on the squad. "This was the best year we've had since I've been on the squad. I believe the team will improve each year, and it won't be long until we'll have a championship team."

REGIS NEUMAN—This year Reg played 25 quarters at center and guard. It was his third year on the squad. "I doubt if I will ever regret the time I spent playing football."

JAMES MILLER—In this, his second year as quarterback, Jim played 28 quarters. "Our season's record fails to show the ability of the squad."

GERALD GABRIEL—This year Jerry played 34 quarters at left half. It was Jerry's third year on the squad. "I believe we had a very good season due to the fact that we had a very co-operative coaching staff."

RICHARD HERTZER—This year Dick played 20 quarters at right half. It was Dick's third year at that position. "Football is football—win, lose, or draw."

RICHARD KOBER—This year Dick played 20 quarters at right half. This was his third year on the squad. "We didn't win many games, but I enjoyed playing."

GAME SUMMARIES

BUCYRUS 7—TIFFIN COLUMBIAN 13

First game jitters were not the cause of Bucyrus' defeat at Lane Street Field on Friday, the 13th of September. They opened the scoring with but five minutes gone when Jerry Gabriel senior half-back, took a handoff from Quarterback Miller and sprinted 18 yards to pay dirt, Ball kicking the point, and the Redmen led 7-0. Tiffin tied it up, however, in the second period when Miller crashed over from the twelve and Brown bucked over the extra point. The scores 7-7.

During the second half, the Redmen put forth a sensational goal line stand during the third period, stopping Miller on the 1-inch line but later yielded the hard-earned 6 points. The extra point failed and Tiffin led 13-7. In the final frame a last minute drive fell short as Gabriel and Boyle carried to the Tiffin 40, but time ran out and the Bucks lost a tough one.

BUCYRUS 12—NORWALK 8

A new-found spirit in BHS was displayed as the Redmen out-battled the Blue and Gold. Boyle's kick-off was taken by Sweet, Norwalk's supposedly ace halfback, who was downed by Kober. Bob Edsinger then played as the fifth man in Norwalk's backfield when he continued to throw them for losses all evening. Finally in scoring position, via a pass, Luxon failed, but Sweet scored their only touchdown to make it 6-0. A break came for the fast-moving Redmen when they recovered a fumbled kick in offensive territory. Bob Dutcher then crossed the double line to make it 6-6. The second period continued to see blood and thunder with Dick Kober making the winning touchdown, and Sweet, among others, being helped from the field. Then Dick Hertzner made five yards and Dutcher and Gabriel followed suit. Sweet broke away at mid-field for a nice run, only to be stopped by Jerry Gabriel's lunge on the 10-yard marker to stop him. Then Hertzner and Edsinger threw them for consecutive losses, the Redmen then taking over. A few exchanging scrimmages followed as the game ended. WHAT A NIGHT!!

BUCYRUS 19—WILLARD 13

Held scoreless in the second half, but piling up 19 points in the first, Bucyrus edged out Willard 19-13, for their second league win.

Dick Hertzner opened the scoring with but two minutes gone, and 4 yards to goal, with a sweep around left end to paydirt. Ball's kick was low.

Willard went to the Bucyrus 24 but was stopped for downs; and on the first Bucyrus play, Gabriel ran to the right, broke into the secondary, and walked the chalk for 78 yards and Bucyrus' second score. The pass to Edsinger was not good for the point. Score, 12-0.

Willard's score came after a short kick by Weithman to McDowell. On the next play, a McDowell to Fries pass, was good for 6 points. McDowell's kick was good. A pass, Miller to Cress, who made a beautiful catch set up the final score. Boyle then carried it over from the three yard line. Score 19-7 as the half ended.

Willard's scoring ended in the third period, when Dutcher kicked to the Willard 15. Klopfenstein and Draine carried the loot to the Bucyrus 46. A fake kick-pass to McDowell was good to the Bucyrus 26, where Roose took over and went over the goal line standing up. McDowell's plunge was stopped. Final score Bucyrus 19—Willard 13.

SHELBY 26—BUCYRUS 6

Five thousand fans jammed the field to see the big, fast boys from Shelby hand the Bucks their first league loss, and send them into a three-way tie for second place.

On the first Bucyrus play of the game the ball was fumbled and Kaiser of Shelby grabbed it out of the air, and lateraled to Dowels, who raced to the Bucyrus 1-yard line. Jones then carried it over and also kicked the point.

After Boyle's attempted kick on fourth down Jones again lugged the leather. He went to his left, sidestepped some would-be tacklers, raced over, and afterward also kicked the extra point. Score 14-0.

Shelby's third score came after Fackler ran 57 yards to the Bucyrus two-yard line. A couple of plays later, Sietz, left end of Shelby, grabbed an aerial for 6 points. Jones' kick was low.

The second half saw a renewed Bucyrus team take the field. They equalled Shelby's scoring but were unable to overcome such a great lead. Bucyrus held for downs in the third frame but yielded to the hard running Shelby backs in the fourth quarter.

Kaiser intercepted a pass and, with Thompson carrying the oval over, Shelby scored again. However, Maier's kick failed. Bucyrus took the kick-off and started a drive. Paul Truka, junior quarterback, was injured on the first play of this thrust. Hertzner picked up a first down, and Gabriel, another to the 45. Back came Shelby's first string, but Boyle bucked his way to the 16-yard line. Several plays later he crashed over, but the kick was no good. The Redmen came to life in the final quarter and hopes of coming out of a slump. However Fate was against them and the final score was 26-6.

GAME SUMMARIES

GALION 32—BUCYRUS 7

The heavier, far more scrappy Tigers pushed and shoved the Redmen wherever they pleased. The Redmen's only score came in the final two minutes when Jim Ball completed an aerial to Gene Cress.

Tommy Boyle, fighting fullback, was the spark of the evening for Bucyrus, as he gave a display of beautiful kicking. The Redmen stopped Galion once as Jim Miller completed a pass to Paul Truka for a first down.

The Tigers then continued their surge until Ball's pass to Cress and the game ended.

BUCYRUS 0—CRESTLINE 7

Spoiling Bucyrus' Homecoming, the bulldogs of Crestline snagged a 7-0 win over Bucyrus for the latter's third league loss.

Boyle kicked off to Rhodes, who returned to the 23. After three plays they punted to Kibler, whose fumble was recovered by Gehrisch. A penalty gave the ball to Bucyrus, but they lost it on downs. Kibler then raced to the Crestline 36 but Bucyrus was stopped cold. Boyle punted as the quarter ended.

After an exchange of punts Boyle dropped back to send Bucyrus out of danger but was swamped under by three Crestline linemen, and four plays later Crestline scored on a Winemiller to Sands pass. Rhodus completed the night's scoring with a pass to Sand for the point.

The third quarter was a see-saw affair with neither team threatening. Bucyrus almost tied it up during the fourth when Boyle, standing on his own forty-five went to the right, out-faked three would-be tacklers and raced goalward. That's where the blow fell. A holding penalty was called on the 30-yard line and they were right back where they started. A last-minute pass fell short as the game ended.

In statistics Bucyrus was by far the best. They stacked up 13 first downs to Crestline's 2. Crestline just seemed to pass at the right time and cut Bucyrus' throat.

UPPER 27—BUCYRUS 0

Showing fighting line play but a weak pass defense, the locals fell to Upper for their fifth loss of the year. Upper displaying some fine pass work, scored twice in the second and fourth periods.

The first touchdown came after a poor kick-off by Hertzner. Rife and Vent did the running to the Buck's 18 where Tom Wilson took a pass from Rife for the first score. The point was no good.

Gabriel took the kick-off and made a beautiful return, but Bucyrus was forced to punt and Mason returned it to Bucyrus' 45. Vent then tore around left end for the second score and Rife's kick split the uprights.

Gabriel made another beautiful runback to the Upper 25 but the half ended with a sustained drive. The third quarter was scoreless and was highlighted by Boyle's 65-yard boot. The third score came as a result of passing again. After a Rife to Wilson pass, Rife faded and shot one to Courtad in the end zone. Rife's kick was good. A fumble set up the final score. Ball was swarmed under and dropped the oval when attempting to pass. Upper tried a field goal but missed.

Kibler was hit hard and bumbled, Upper recovering. Kent went to the five and two plays later carried it over. Steckle's kick was good.

Final score: Upper Sandusky 27—Bucyrus 0.

BUCYRUS 21—BELLEVUE 0

With Tom Boyle's driving for two touchdowns and Jerry Gabriel skirting for another, B. H. S. reached the high of the season. Gabe started things off with a 28-yard runback. After an exchange of punts, Boyle took the ball to the 40. Kibler and Boyle took it to the 15, Kibler advanced to the 8. Being penalized back to the 13, Gabriel on two plays hit pay dirt. Boyle's conversion was good. A series of good punts and bad breaks set the Bucks on their own 10-yard line. They kicked. Merk fumbled, we recovered, and Boyle drove over. Gabe's plunge was good as the score stood 14-0.

After a series of penalties and gains Gabe passed to Cress, who was knocked out on the one-yard line. Boyle plunged over for the third tally. Truka converted.

BUCYRUS 7—DELAWARE 7

Thirteen seniors played their last game for BHS on their home field. What was to be a prospective win ended in a 7 to 7 deadlock. Jim Weithman and Bob Edsinger, as usual, excelled with their defensive playing while the Kibler twins and Tom Boyle carried the burden on offense. The remainder of the backfield also saw action.

The team worked hard this year and was stronger than the adverse scores show. With many good players being carried over, Bucyrus expects to be on the winning side next year.

BASKETBALL SUMMARIES

MARION ST. MARYS 48—BUCYRUS 36.

Bucyrus lost their opener to Marion to the tune of 12 points. Bucyrus emerged 9-7 at the first quarter but dropped behind 23-15 at the half. The third period Bucyrus outscored the visitors, but trailed 17-12 in the final frame. Schuler of St. Marys was high with 16, followed by Gallant and Maloney with 13.

TIFFIN 17—BUCYRUS 28

Showing the town they could do it, the Redmen emerged victorious over the Tiffin boys. This was the first time in over five years that the Redmen were able to make a defeat over Tiffin. Bucyrus led 8-4 and 10-7 in the first and second periods in a low-scoring first half. The Redmen hit their stride in the third period as they piled up 12 markers to Tiffin's 7. The final frame was also low as the Bucks netted 6 markers. Cress was high scorer with 10 points.

MARION HARDING 35—BUCYRUS 28

Bucyrus couldn't get the lid off the bucket the first half and fell behind 13-8, but coming to life the second half they scored 20 points. However, this wasn't enough and Harding captured another game at the expense of the locals. Kemery was high with 12 markers, followed by Grove with 7.

SHELBY 32—BUCYRUS 22

In a low scoring, rough and tumble game that was more like football than basketball, Bucyrus fell by the wayside the first half, and was unable to overcome the lead in the second. Shelby led at the half 14-9. Bucyrus cut this to a few points in the second half, but slumped in the fourth quarter and lost by 10 points. Seits and Lucas had 12 and 11 respectively for Shelby. Gallant chalked up 5 for Bucyrus.

DELAWARE 36—BUCYRUS 26

The Redmen traveled to Delaware the following Saturday night to tangle with the always rough Delaware Willis. The first half ended 13-22 in favor of the home team, but in the final periods, Delaware managed to sneak in a 10-point lead as the game ended 36-26. Kemery led the visitors with 8 markers.

CRESTLINE 46—BUCYRUS 42

The Redmen lost a heart-breaker as the Crestline Bulldogs carried the game into an overtime. The latter finally won by 4 points. The Redmen couldn't stop Crestline's highlight, Don Gehrish; this boy added 25 points to their score. Jim Gallant led the locals with 16 markers, while Don Young followed with 12. Jim Kemery and Jim Miller were on the bench with colds.

GALION 50—BUCYRUS 37

The locals couldn't seem to hit the net as Galion came over here to hand them a 50-37 loss. Galion led at the half 30-14. Then during the last half each team closely watched each other, but the Tigers lead held through to the end. Gallant led the hometown lads with 12 points.

FOSTORIA 46—BUCYRUS 43

Fostoria came here to give the Redmen a hard battle and managed to take home a 3-point win. The first half ended with Fostoria ahead 25-14, but the Redmen came back in the final half to cut their lead to 3 points. Cress and Gallant led the locals with 16 markers each.

UPPER SANDUSKY 32—BUCYRUS 37

The fighting Redmen traveled to Upper Sandusky to out-play the Rams 37-32. The first half ended 17-15 in favor of the home team. But the locals came from behind to win by 5 points. Oh, happy night!! It was one of the cleanest games played this season. Cress led the Redmen with 15 points.

GALION 60—BUCYRUS 48

Getting off to a slow start, Bucyrus rallied but failed to catch up in a knock-down-drag-out affair. Only Jim Miller, who led Bucyrus with 12 points, could find the hoop during the first half. In the second period, Cress and Young joined in as Miller hit from the floor. The second half was different as the Redmen scored 37 points. Kemery then found the range along with Gallant. Miller and Young led the locals with 12 and 10 points respectively.

BASKETBALL SUMMARIES

SHELBY 49—BUCYRUS 40

The first quarter ended 10-7 and going into the second the visitors kept a 10-point gap. Bucyrus' best spurt came in the second quarter, when they came from behind to lead 16-13. Cress, Vaughn and Miller hit in quick succession. Shelby increased its margin by 11 points. Dick Hertzner hit for 7 points in the final period; Cress followed with 6. Cress and Seitz of Shelby tied with 16 markers each.

WILLARD 29—BUCYRUS 67

The Redmen rolled over the Crimson Flashes to hit the season's high point. Gene Cress, Don Young, Jim Miller, and Jim Kemery just couldn't miss. These boys netted 18, 14, 11 and 8 respectively.

KENTON 35—BUCYRUS 34

After a slow start the Redmen caught up only to lose in the final minutes. Jim Miller's field goal was the extent of the Redmen's score as the quarter ended 11-2. Cress and Kemery found the hoop in the second period, while Young, Cress, Vaughn, and Gallant hit in the third. Gallant alone hit the net in the final quarter for 8 points. In the reserve game, Bucyrus emerged victorious with a score of 43-21. Dick Kibler made 22 points in this game.

CRESTLINE 44—BUCYRUS 47

Paced by Gallant, Kemery and Miller with 12, 10 and 9 points, respectively, the Redmen edged the Bulldogs. The first quarter ended 17-11, Miller making seven of the Redmen's markers. The second period was slow, but the Bucks came back in the third quarter by outscoring their opponents. Trailing in the final quarter 39-34, the locals thundered back to outscore the Bulldogs 9 points.

BELLEVUE 48—BUCYRUS 41

Bellevue's first place Redmen just eked out a 48-41 victory. The visitors jumped to a 10-7 lead and raised it to 28-15 in the second period. Bucyrus came to life the second half and outscored the visitors 6 markers, but were unable to overcome Bellevue's early lead. Gallant and Miller had 17 and 15 for the locals, while Bale and Shelby had 17 and 14 for Bellevue.

NORWALK 60—BUCYRUS 29

The Maple Leaves outclassed the Redmen in practically every field. Although going scoreless for two and a half minutes, Norwalk jumped ahead and remained there the entire game. Meagrow and McConkey had 18 each for the victors, followed by Sweet with 16. Cress piled up 8 for the locals.

PORT CLINTON 52—BUCYRUS 54

The never-die Redmen came roaring from behind in the final minutes to edge out a 54-52 decision over Port Clinton. Trailing at the half 29-23 and at the third quarter 40-35, Bucyrus out on a last quarter splurge chalked up 19 points for a victory. Gallant sank 25 points for Bucyrus—the best individual scoring so far in the season. Kemery followed with 12 markers.

MARION HARDING 62—BUCYRUS 39

Bucyrus ran into a much-improved Marion team and suffered its 13th loss of the season. Led by West, Marion center, the victors jumped to a 10-4 lead in the first quarter and were never overcome. Riley and West scored 13 points each for Marion and Kemery and Gallant of Bucyrus scored 12 and 10 points, respectively.

UPPER SANDUSKY 43—BUCYRUS 40

Upper annexed a first place tie with Bellevue by defeating a fifth place Bucyrus team 3 points. Upper took a 8-7 first quarter lead and increased it to 21-17 at the half. The locals were again outscored during the third period 11-10, but came roaring back with 13 in the final frame, only to have Upper defeat them to the tune of 43-40. Captain Cress, playing his last game for B. H. S., led the attack with 16 points. The other seniors scoring were Kemery 10, Miller 4, and Vaughn 2.

CELINA 58—BUCYRUS 42

The Redmen traveled to Findlay to play their first of the tournament games. The boys had another off night—maybe because this was their last game of the 1947 season. Gallant, Miller, Cress, Kemery and Kibler were the top scorers of the locals, with nine points for Gallant and seven markers for the remaining four boys.
